Dear Prime Minister,

### **Stonehenge and proposals for the A303**

Thank you for asking your Correspondence Officer to reply, on 29 March 2016, to my letter to you of 17 March. I am pleased that you are aware of our serious concerns about proposals to widen the A303 at Stonehenge.

Unfortunately, however, I received no answers to the four important questions I asked you, on behalf of the Stonehenge Alliance, which appeared on the second page of my letter.

I would be most grateful if you should, please, let me know the answers to each of my questions. For your convenience, I enclose a copy of my letter of 17 March in which the questions are set out.

Yours sincerely,

George McDonic  
Chairman, the Stonehenge Alliance
