Dear David Evennett,

**Stonehenge and the A303**

Thank you for your letter to me of 30 April 2016, in response to mine to the Prime Minister of 19 April.

Members of the Stonehenge Alliance would be pleased to meet with officials at the DCMS to discuss our concerns about what is known of proposals for the A303. We would like to include in our discussion the report of the World Heritage Centre/ICOMOS mission to Stonehenge last year which we have now seen.

Please would you let me know how such a meeting might be arranged? We would, of course, be prepared to meet in London.

Yours sincerely,

George McDonic  
Chairman, the Stonehenge Alliance
