Dear <<First Name>> <<Last Name>>

We are writing to confirm that [your letter](#) to Highways England using the sample email on our website has been sent successfully.

There was an initial hiccup due to high volume of traffic on the website and confirmation emails were not automatically sent to you. These teething problems have been ironed out. Our apologies for any difficulties you may have experienced.

We plan to send a reminder to all petitioners, which might include you, in case others need to try again. So please forgive us for an unusual frequency of emails.

Thank you very much for supporting our campaign!

Best wishes,  
The Stonehenge Alliance
