VIDEO: WHAT IS PLANNED FOR THE STONEHENGE WORLD HERITAGE SITE?

Dear <<First Name>>,

We are fast approaching our last chance to stop the irreparable damage that will be caused by the Stonehenge Tunnel and road scheme. As we prepare for the court case next month we wanted to send you a couple of emails in quick succession with updates and an invitation.

First is an update for those wondering what exactly the scheme is about and where we currently are with it in the form of a video slide show below.

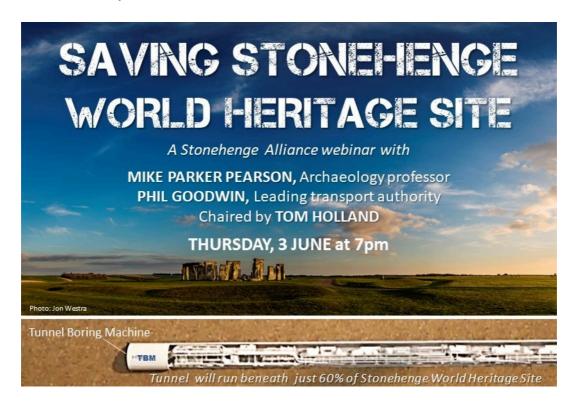

You can also scroll through the slides on our website here.

What Is Planned? is a series of slides to help us understand the physical scale and impact of the road building project across the Stonehenge World Heritage Site. Part Two will follow shortly and describe the tunnel, its spoil and where it will go.

Thursday, 3rd June at 7pm

Save the date! Two distinguished authorities will join us for a webinar. There is more information on the poster below. An invitation to register for the webinar will follow shortly.

Thank you so much for helping us raise the profile of our campaign.

Best wishes,

John Adams OBE

APPEAL BY SAVE STONEHENGE WORLD HERITAGE SITE LTD

The new road and tunnel would cause massive and irreparable damage to the archaeology and landscape in violation of the UK's international commitments to safeguard the site for future generations. The court case is the best chance to stop Government from ploughing on with the Stonehenge road widening scheme.

We urge you to continue your support and donate if you can. Thank you.

ABOUT THE STONEHENGE ALLIANCE
