### ***Dear Supporter***

Stonehenge dates are not edible but they are action packed and need digesting! Here they are:

#### ***1. Date in Court: July 15th/16th - 18th (start date is still being negotiated)***

The court of Appeal has fast tracked the hearing before the summer recess leaving us with a financial mountain to climb in just a fortnight: we are short by £20,000. We need to put our skates on and do our level best to meet the appeal target pay the legal team's fees.

#### ***Action!***

- > If you possibly can, please donate to the [\*\*CrowdJustice Appeal\*\*](#). And share widely with family, friends, colleagues, influencers - you know the drill! Thank you.
- > And save the dates. We might hold an event outside the court on one of those days. We will be in touch nearer the time.

#### ***2. Date in Delhi: World Heritage Committee meeting 21 - 31 July***

UNESCO is likely to decide to place Stonehenge, one of the world's most famous prehistoric sites on the List of World Heritage in Danger. Their report to the World Heritage Committee reveals that National Highways tried to get away

with some superficial modifications, but these did not address UNESCO's long standing concerns and minimum requirements.

### ***3. General Election on 4th July: Asking candidates - there's still a chance to be heard!***

Yes, there's not long left but it's still well worth asking candidates to oppose the scheme armed with the latest news from UNESCO, especially if there are lots of us doing so. The Stonehenge Alliance has already written to Shadow Ministers.

[ABOUT THE STONEHENGE ALLIANCE](#)

*[The Stonehenge Alliance](#) was set up in 2002 to protect the Stonehenge World Heritage Site from further damage. It has campaigned against the current road scheme since its inception in 2014. It is appalled by the Government's decision to go ahead with the short tunnel and road widening project in the face of:*

- *strong advice from its Planning Inspectorate not to proceed,*
- *UNESCO's World Heritage Committee's condemnation, and*
- *the High Court's quashing of the scheme in 2021.*
- *Next stop: the Court of Appeal!*

*The Stonehenge Alliance is run by a small team of volunteers and supported by Ancient Sacred Landscape Network; Campaign to Protect Rural England; Friends of the Earth; Rescue, The British Archaeological Trust; Transport Action Network and many individuals worldwide.*

***THE INTERNATIONAL PETITION*** against the road has reached over 239,000 signatures. ***You can sign and share it with friends and family [here](#).***
